Thanks, Christina. I need your help with something else. In December, I sent a letter to all the District Attorneys requesting a single point of contact for requests involving expedited testing (see attached). I have not yet heard back from your office regarding a POC and as you can imagine, you are our biggest customer in this regard. Can you help to designate someone?

Thanks, Julie Nassif

Subject: March 30, 2009 Meeting

I am writing to confirm the meeting with the DA, the DPH Commissioner, Julie, and myself. It will be held at DPH's building in Jamaica Plain at 3:30 pm on March 30, 2009. I believe we are all confirmed for the meeting.

Thanks to all for your patience and time in scheduling this meeting.

Regards,

Christina Miller
